

VEHICLE INSPECTION FORM

Please **VISUALLY INSPECT** all components for proper operation and condition. The vehicle should then be **ROAD TESTED** and all results documented to complete the inspection. All items found defective must be repaired and proof of repair(s) need to be submitted with this inspection form, for vehicle to be considered eligible for a Vehicle Service Contract or Product Warranty.

Additional Comments:		

This is to certify that the person(s) performing the above inspection are employed by a licensed repair facility and that the above vehicle has been inspected and any necessary repair(s) have been made. To the best of my knowledge, this vehicle qualifies for The Keystone program(s). A pre-existing condition or repair made on or before the enrollment date is not eligible for reimbursement.
